(C) On February 6, Poloff delivered reftel non-paper to MFA Department of International Security Director Sergey Savelyev. Savelyev thanked Poloff for the information and emphasized the importance Kazakhstan places on Missile Technology Control Regime (MTCR) membership. He added that Kazakhstan is ready to send a delegation to Washington to discuss its MTCR candidacy. In a separate discussion on Iran, Savelyev complained that the U.S. often asks Kazakhstan for its assistance on non-proliferation issues but has not helped Kazakhstan with its MTCR application.
